# Cell Renewal Night Cream

Rejuvenating, Ultra-Hydrating Night Moisturizer

Grape Stem Cells | Palmitoyl Pentapeptide-3 | Sodium Hyaluronate

## **DESCRIPTION:**

A rich, intensive night time moisturizer with potent anti-oxidants that renews, refines and rejuvenates skin while you sleep. Ultra-hydrating and protecting. Helps improve skin firmness and create a firm, radiant complexion.

## **FEATURES AND BENEFITS:**

**Protect Against and Reverse Aging with Grape Stem Cells |** Vitis Vinifera (Grape) Fruit Cell Extract protects skin against the harmful effects of skin stress caused by UV radiation, responsible for 80% of skin aging, with epigenetic factors and metabolites. It delays the senescence, or the biological aging of essential cells, as well as fights photo aging. The cell

extract has an extremely high anthocyanin content which is high in powerful antioxidants and has free radical scavenging capabilities.

**Fight Aging with Palmitoyl Pentapeptide-3 |** An advanced peptide made in-house. Supports cell metabolism and stimulates cell proliferation and tissue regeneration for bright, healthy looking skin. In vitro clinical studies showed it stimulated wrinkle fighting collagen by 117% and firming collagen by 357%, increased moisture holding capacity by 267%, reduced the surface area of wrinkles by 68% and reduced skin roughness by 16%.

**Antioxidant |** The combination of Wheat Protein, Rosehip Fruit Oil, Green Tea, Borage Seed Oil and Lavender Oil act as powerful anti-oxidants to help to enhance skin and protect against the signs of aging.

**Refine Skin Texture |** Hazelnut Oil, Oat Protein, Squalane and Ginseng Extract combined with Jojoba Oil and Hydrolyzed Soy Phospholipids help to revitalize and repair skin for a refined texture.

**Rejuvenate & Regenerate |** Sodium Hyaluronate, Niacin, Glycine Soja, Yeast Extract, Olive Leaf Extract and Evening Primrose Oil help to rejuvenate and regenerate while you sleep.

**USAGE:** Use in the evening after cleansing, toning, and applying serum. Smooth onto face, neck and décolleté until absorbed.
