

# Super Removal Gel

Removes Blackheads and Clears Pores

Natural Lactic and Malic Acids | Hamamelis | Fennel Extract

## **DESCRIPTION:**

Kiss blackheads and clogged pores goodbye with our advanced oil free gel with bioactive ingredients. Bioactive ingredients help to normalize sebaceous oil and improve impurities, unclog pores and allow the skin to oxygenate and improve.

## **FEATURES AND BENEFITS:**

**Unclog Pores** | Lactic Acid and Salicylic Acid, combined with Nettle Extract, Hops Extract and Hamamelis help to unclog and sanitize pores.

**Normalize Skin** | Fennel Extract, Malic Acid, Melissa Officinalis and Aspartic Acid stimulate the bioactive gel and help to normalize sebaceous oil.

**Reduce Irritated Skin** | Oat Protein, Yarrow Extract, and Matricaria Extract blended in a Tea Tree Oil tincture to help reduce irritated and infected skin.

**USAGE:** After cleansing, apply a thin layer of SRG Gel to skin, avoiding the eye area. Wait for the gel to dry slightly, then and gently massage skin in an up and down motion to remove blackheads.
