

Ginkgo Gommage

Natural Chemical and Mechanical Peel

Lemon Verbena Extract | Ginkgo Biloba | Phospholipids

DESCRIPTION:

A creamy, non chemical peel with mechanical and chemical exfoliating properties. Naturally emulsifies and gently exfoliates dead, dry epidermal cells for an effective exfoliation, resulting in brightened complexion and softened skin.

FEATURES AND BENEFITS:

Natural Peeling | Lemon Verbena Extract blended with Microcrystalline Paraffin Wax provides natural enzymatic peeling and skin brightening.

Skin Softener | Ginkgo Biloba Extract infused into Phospholipids soften skin.

Skin Hydration | Algae (Seaweed) Extract, Avocado Oil and Quillaia Saponaria Extract hydrate skin.

USAGE:

After cleansing, apply Ginkgo Gommage in a thin layer to the skin. Allow it to sit for several minutes then gently rub the gommage until it starts to flake off (the gommage needs to be slightly dry before the peel can begin). Rinse with tepid water and follow with serum and moisturizer.

INGREDIENTS: Water (Aqua), Stearic Acid, Magnesium Aluminum Silicate, Microcrystalline Paraffin Wax, Ginkgo Biloba Extract, Phospholipids, Quillaia Saponaria Extract, Algae (Seaweed) Extract, Panax Ginseng, Aloe Barbadensis Extract, Persea Gratissima (Avocado) Oil, Ozokerite Wax, Lippia Citriodora (Lemon Verbena) Extract, Carbomer, Fragrance Oil, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Disodium EDTA, Oxy CA (Rosmarinus Officinalis Leaf Extract CO2 and Ascorbyl Palmitate and Caprylic/Capric Triglycerides and Ascorbic Acid and Tocopherol and Citric Acid)

SIZES: Ref. # 8043
