

Herbal Toner

Refreshes and Balances Skin

Hamamelis Extract | Rosemary Extract | Linolenic Acid | Vitamin E

DESCRIPTION:

A refreshing blend of active botanicals including extracts of Rosemary, Hops, and Hamamelis which revitalize pores and keep the skin pH balanced. Lemon Bioflavonoids help to reduce blotchiness, Citric Acid refreshes and Vitamin E and Aloe hydrate.

FEATURES AND BENEFITS:

Balance | Rosemary Extract, Hops Extract and Hamamelis Extract help to balance the pH of the skin.

Reduce Irritation | Equisetum Arvense Extract and Linoleic Acid, combined with Lemon Bioflavonoids and Allantoin help to keep the skin clean while reducing irritation.

Refresh and Tone | Vitamin E Tocopherol and Vitamin E Linoleate with a blend of Citric Acid refresh and tone the skin naturally.

USAGE: After cleansing, spritz or smooth onto face with a cotton pad. Follow with serum and moisturizer.
